

OMTVEDT BREAKS WORLD'S RECORD

He Executes The Longest Ski
Jump Ever Made, 169 Feet,
At Ironwood

At least one hundred and fifty Rhinelander people attended the big tournament of the American Ski association in Ironwood Saturday and Sunday. The largest crowd from this city was present at Sunday's program. It is believed that Rhinelander sent the largest delegation of any of the neighboring cities, represented at the tournament. The event was all that it had been advertised and those from here in attendance felt well repaid for their time and money. It was by far the greatest ski tourney ever held in the United States and some of the leading ski jumpers in the world participated.

With a total of 345 2-3 points Ragnar Omtvedt of the Norge Ski club of Chicago, at the second day's tournament of the American Ski association carried off the national professional championship with jumps of 158 and 154 feet. In the second event for the longest standing jump, character or form not to be considered, Omtvedt broke the world's record by jumping 169 feet without falling.

The best previous record under similar conditions was 156 feet, made in Norway. The American record of 152 feet was made on the Ironwood Hill in 1911 by Anders Haugen of Chippewa Falls, Wis., Omtvedt rode in perfect form throughout the entire tournament, his four jumps netting him 635 feet without a fall.

There were forty-one contestants in the professional class. The delegates at their convention selected Virginia, Minn., for the 1914 tournament.

FINE PROGRAM AT WOMAN'S CLUB

Members Hold An Exceptionally
Interesting Meeting
Tuesday

The Woman's Club held an interesting meeting Tuesday at the club rooms.

Mrs. W.E. Brown had a paper on George Chadwick, followed by an interesting program as follows: Vocal solo, Mrs. Richards; Vocal solos, Miss Alice Schlessman; Four part song, Mesdames Reers, Sawtell, Colburn and Daniels; Mixed Quartette, Messrs. Colburn and Wilson, Mesdames Richards and Moore.

Mrs. Squier greatly interested the Club by a talk on Fresh Air Schools. Mrs. Paul Brown described the Green Bay Fresh Air School started and maintained by the Woman's Club of that city for one year, when it was taken over by the city schools. Mr. Colburn spoke of the humidity of school buildings and briefly gave the results of his experience and experiments along that line.

A social hour followed.

The Club is making arrangements to give a sacred concert at the majestic theater in the near future. The receipts are to be given to the Charity League.

BUYS ANTIGO SHOP

George Deakin, a popular barber of Rhinelander, will locate in Antigo where he has purchased a four chair shop, said to be one of the largest and most up-to-date in that city.

While Mr. Deakin's many friends dislike to see him leave this city they wish him every success in his new venture.

M. McEachin returned from a business trip to Newald Wednesday.

WINS TWO DIAMONDS

Gus Bronson Gets Valuable Prizes For
Selling Shoes

Gus. Bronson, the veteran shoe salesman for the H. F. C. Dovenmuehle & Sons company who makes regular trips to Rhinelander, has been awarded two first prizes by his house for selling the largest number of certain grades of their goods. The two prizes are diamonds valued at \$125 each. For seven years in succession Mr. Bronson has won a prize. The first year it was the third prize the second year he took second prize and then for four years in succession he took first prize.

For the year 1911 he headed the list of thirty salesmen employed by the concern in the sale of ladies' fancy shoes and secured second prize for sale of men's shoes.

Although Mr. Bronson is 71 years of age he is still in the ring and feels fit for many more years of active service.

SUPT. TOBEY ON IMPORTANT TOPIC

Wausau Instructor Tells Value
Of Medical Inspection
In Schools

"Medical Inspection In the Schools" was the topic of a very able address by S. B. Tobey, superintendent of the Wausau schools, at the city hall Saturday evening. Just at this time when the prevention of contagious diseases is occupying such vast attention throughout the country, a discussion on any branch of the subject never fails to attract public interest. A fair sized audience gathered to hear Mr. Tobey. He is recognized as one of the leading educators in the state and has devoted no little time to the matter of school medical inspection. From practical experience he is in a position to thoroughly talk on every detail of the subject.

With a fund of valuable statistics at his command Mr. Tobey illustrated the importance of medical inspection in the schools in checking the spread of disease and saving human life wherever the system is in force. He pointed out its untold benefit in preserving the health of the community. After speaking at length on facts and figures regarding the inspection Mr. Tobey then explained the methods that are at present employed in the schools of Wausau.

In Wausau physicians make a complete examination of each school child at a certain time in the year and wherever a pupil is found physically defective the case is immediately reported to the parents with the recommendation that the child receive treatment. When a pupil is found afflicted with a contagious ailment exclusion follows. Thus are others in the school saved from contracting the disease. Medical inspection began in the Ashland schools last week and is now practiced in many cities of Wisconsin.

Many, who through lack of knowledge of the value of school medical inspection, have been opposed to the system, were converted by Mr. Tobey's address.

DR. HOGAN MAKES ADDRESS

Dr. J. M. Hogan, a former Rhinelander physician who is now city physician at Oshkosh, recently made an interesting and invaluable address on the subject, "Feeding of Babies" at the Oshkosh child welfare exhibit.

Dr. Hogan spoke of the importance of feeding babies properly and with suitable food because of the great percentage of babies who perish through lack of improper care.

The Oshkosh Daily Northwestern said: "Dr. Hogan's talk on 'Feeding of Babies' is declared to be one of the best treatments of that subject ever heard in this city."

SOO LIMITED IN WRECK SATURDAY

Mistake In Orders Cause Of
Mix-Up Between Trains
Numbers 8 and 86

Train number 8, east bound Atlantic Limited on the Soo line crashed into the middle of train 86 at the intersection of the tracks near Larch Saturday morning.

According to the Gladstone Reporter conflict of opinion between Chief Dispatcher McGoon and the operator at Larch leaves some doubt as to just how the trains were allowed to come together but it is known that 86 was just rounding the curve coming out of the main line when No. 8 was approaching the same point. The engineer saw train 86 but not in time to bring his train to a complete standstill in time to prevent his engine from striking the second class coach and lifting it clear off the track. A number of the passengers were pretty badly shaken up and some slightly injured but none seriously. The injured are:

Peter Maresco, head cut and finger sprained.

Max Rajachek, head cut and bruised about head and body.

Ordinarily when these trains are running on the same time either No. 8 is blocked at North Escanaba or 86 is blocked at Larch until the other reaches Gladstone and conditions were different this time owing to a misunderstanding. No. 8 was given a clearance into Gladstone but according to the dispatcher 86 was blocked. The Northwestern operator however states positively that he was instructed to give 86 a clearance which he did with above results. Both trains were delayed several hours.

LOGICAL TALK BY ANTIGO EDUCATOR

Supt. Brandt Impresses Audience At
Congregational
Vesper Service

Plain common sense and sanity of judgment were the impressions left by the address of Supt. Brandt of the Antigo schools at the vesper service at the Congregational church last Sunday afternoon. The subject "Environment and Juvenile Delinquency" was treated from the standpoint of an educator of insight and experience. It was really a plea for more simplicity surrounding young people of high school age; more parental control and "old-time authority." Prof. Brandt deplored the tendency to extravagant dress on the part of girls of high school age; recommended that mothers dress their daughters more plainly and thus more becomingly. Urged the reduction of the number of amusements and social functions for young people of this age; and those permitted should be thoroughly under the control of proper persons. Those who heard Supt. Brandt (and there was a well filled house) felt that he "hit the nail on the head," and maintained the high standard of addresses that have been given at the vesper services during the present season.

President Sablin of Milwaukee Dawner College will give the address at the vesper service at the Congregational church next Sunday afternoon at 4:30 p.m. President Sablin's subject will be "The Rising Generation." Every parent in the city should hear this address; it will undoubtedly be one of the best that has been delivered at the church this season. All are cordially invited.

MOVES TO OTTAWA

Fred Langlois, Old Resident, Locates
In Canada

The departure of Fred Langlois for Ottawa, Can., Friday morning will be much regretted, by his many friends in Rhinelander. Mr. Langlois has been a resident of the city 24 years, the most of which time he has been in business here. He is a good citizen and well liked by all who know him.

In Ottawa Mr. Langlois will establish himself as a chiropractor, there being a good field there for one of that profession. Mr. Langlois is recognized as one of the most efficient chiropractors in the state and has had wonderful results with patients here.

WOODSMAN MEETS DEATH ON RAILS

Freight Crew Picks Up Body
Of Charles Walleski Near
Newbold

Wednesday forenoon the crew of a south bound Northwestern freight train picked up the body of a man a short distance this side of Newbold. From the cut and bruised condition of the corpse it was evident that the man had been struck by a train presumably the north bound limited early that morning. Death was probably instantaneous.

The body was taken to Anderson & Nick's undertaking rooms where it was identified as that of Chas. Walleski, a woodsman, who has been employed in this vicinity several years. Aside from this nothing regarding the unfortunate can be learned. He is believed to have been of Polish nationality and a Catholic medal hung about his neck would indicate that he was a member of that faith. The body was buried as a county charge today.

COMPANY L WINS FROM PHILLIPS

Game Is Interesting—The High
School Teams Play At
Ironwood

In one of the most enthusiastic and interesting basket ball games ever played on the Phillips floor, Company L team of Rhinelander won from the Phillips team Saturday night, 18 to 7 was the score. In every point of the game the soldier boys outclassed their opponents.

Company L has the fastest basket ball team in its history and is out after the state championship. The next game will probably be with Ladysmith.

Games At Ironwood

At Ironwood, Mich., Saturday night the two basket ball teams representing the girls and boys of the Rhinelander high school played the High school teams of Ironwood. The Rhinelander boys lost by a score of 23 to 16 and the girls won by a score of 8 to 7.

The contest between the boys teams was rather slow with frequent fouls. The girls put up a good game. Miss Mabel Krueger of this city made the only field basket. Both the local high school teams play at Antigo Saturday.

MORE EAGLES IN TOWN

Several new members were taken into the mysteries of Eaglesdom at the regular meeting of Rhinelander Aerie Wednesday night. A lunch and social session followed the disposal of business. The attendance was large and included some visiting birds.

TAXPAYERS FEEL REFORESTATION

System Is Very Expensive and
Public Must Bear The
Burden

In 1903 the legislature of this state made an appropriation of \$2500.00 per year for salary of a state forester, and \$3,000.00 for Forest Reserve purposes (Ch. 450, L. 1903.) In 1905 an assistant forester was provided at \$1500.00 per year; the appropriation increased to \$3800.00 per annum, and all unsold state lands north of town 33 given over to reforestation (Ch. 264, L. 1905). In 1907 an additional appropriation of \$10,000.00 per year was made with which to purchase lands at tax sales for reforestation purposes (Ch. 491, L. 1907.) In 1911 the salary of the State Forester was increased to \$3600.00 per annum; that of his assistant to \$2000.00; the annual appropriation increased to \$35,000.00 (Ch. 638, L. 1911); and a further annual appropriation of \$50,000.00 made (Ch. 639, L. 1911). The appropriations already made then, a this is likely to be, but it is beside from state lands (the value of which it is impossible to estimate,) or until about Easter.

In addition to the above it is now the expressed purpose of the State Forester to secure from the present tax system a contribution of one-tenth of a mill on all of the taxable property of the state for a period of twenty years. Upon the property valuation fixed by the state for 1912 (which is rapidly growing) this last appropriation alone would add to the annual tax burden of the state \$231,163.04, and for twenty years (at present valuations), \$5,683,260.80, and such annual appropriations would increase proportionately with property valuations. The present appropriation of \$35,000.00 per annum, added to the proposed mill tax would mean \$379,163.04 each year to taxpayers.

The figures below show the added annual tax of each county in the state (at present valuations) which would result from the proposed mill tax alone. When appropriations already made are considered the figures given are increased one-third.

HIGH SCHOOL HAPPENINGS

Important Doings Of The Week Among
The Students

Quite a number of the high school students and teachers availed themselves of the opportunity to see so much at one time, and took the trip to Ironwood last Saturday. They saw the great ski tournament, where the world's record was broken, and also the basket ball games, in which our boys were defeated by the Ironwood boys, and our girls got the best of the Ironwood girls' team. Much credit belongs to our girls' team as they have not been used to playing so rough as the teams who play boys' rules, yet they have never been beaten yet. Even though our boys got the worst of it in the score, they count it no disgrace, as the game was but little like a game such as we have here, the fouls being mostly called on our boys. Rhinelander plays Ironwood here soon.

Our boys and girls play Antigone down there next Saturday and many of the students expect to go with them.

Basket ball practice has been transferred to the Guild Hall while the repairs are being made at the Armory. We do not know how long this is likely to be, but it is believed that we can not use the Armory until about Easter.

A Washington's Birthday program will be presented by the Senior class on the coming Friday. All are welcomed.

Elwood E. Smith.

CATCH ROBBER IN GROCERY STORE

A. R. Mangerson And George
Smith Nab Charles Otto
In Act Of Looting

Caught in the act of committing robbery in the grocery store of A. R. Mangerson, 819 Mason street, a young man who gave his name as Charles Otto is a prisoner in the county jail awaiting trial at the coming term of circuit court.

Otto was captured last night at about 9 o'clock by Mr. Mangerson, proprietor of the store, and George Smith. He was taken entirely off his guard and held by the two men until the arrival of Officer John O'Brien.

At about 7 o'clock last night the Hanson photograph gallery at 8 N. Brown street was entered and 4677.50 goods of small value taken. The 1460.22 titles stolen from the gallery were found on Otto when he was searched at the jail.

Otto was arraigned before Judge Walker in municipal court this morning. He waived examination and was bound over for trial with bonds fixed at \$1000.

Tools Are Stolen

The turning factory of Louis Stumpner was entered Monday night and tools valued at fifty dollars stolen. There is no clue to the identity of the thief.

NEW SHOE DEPARTMENT

The famous Bostonian shoes for men and Dr. Edison's cushion shoes for women are sold by D. H. Hart. These are two of the world's leading makes of foot wear and the styles are snappy and exclusive. The shoe department just added to the Hart store will enable patrons to obtain the best shoes on the market at lowest prices.

NEW GARAGE HERE

W. H. Gilligan Jr., leaves his position with the Morgan Garage & Supply company this week and is going to start a new garage here. Mr. Gilligan is prepared to give complete service at this time.

LAYING ARMORY

Work of laying the new armory in the Armory is now under way. The completed this floor will be one of the finest for dancing purposes in the state.

These Specials are For One Week Only

Be Sure to Attend Our Great Shoe Sale Just in time to complete your Easter outfit.

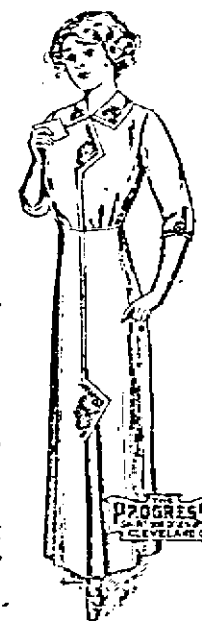

New Dresses for Easter

You who have gone to the trouble of matching samples and hunting up a dressmaker will at once realize the great advantage you have in buying a READY MADE UP DRESS. We admit that there was a time when you couldn't get a good fit in a ready made up dress before. But those days are past and gone. You as well as the rest can be fitted properly at about ONE-HALF the expense of having it made.

New Party Dresses

Made of imported Chiffon and Charmeuse in the new shades of Light Blue, Pink and White. Prices range from \$12.50 to \$22.50 and you will find that these are the greatest bargains you ever saw.

Your Graduation Dress Needs Careful Attention

Our store is simply loaded with the newest and daintiest White goods for your "Graduation" Dress.

What more comfort can be to the mother and what greater tribute can she pay to her daughter on her graduation day as when she knows that she is fully prepared and dressed to fit the occasion.

Great Sale on Our Entire Stock of Rugs and Carpets

We advise you most earnestly to take advantage of our Rug and Carpet Sale and anticipate for the future.

ONE-FOURTH OFF ON ALL OUR FLOOR COVERINGS

1913-Spring Corset Fashion-1913 Is Set by "Warners" Rust Proof Corsets.

YOU NEED WAIT NO LONGER

Accurately Designed to set off the Spring Fashions in dress. The New "Warner" Corset styles are a revelation in corset making. You can buy the CORRECT Corset over which to fit your spring and summer gowns.

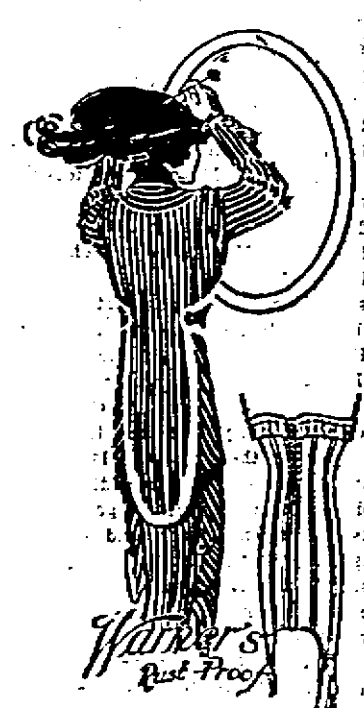

Long Skirts are still in vogue, closely encasing the hips, with full waist and medium bust, to give the straight lines which will be seen again this spring.

Whether for the long clinging skirt, the fanciful drape, or for the trim fitting tailored gown—the "Warner" styles will give the proper lines.

They Are Authoritative

We study the dress tendencies in advance and every "Warner's" Corset is actually adapted to the season's fashion in dress. You can plan your spring wardrobe at once, have it fitted over a "Warner's" and every detail will be as it should. "Warner's" Rust Proof Corsets are Fashion's standard. But that is not all. They have become the World's Leading Corset, thanks to their comfort and easy flexibility, and because every pair is guaranteed Not to Rust, Break or Tear.

Have you seen the Warner Brassiers? They fit when worn with Warner's Corsets. They envelop the figure with smooth unbroken line from hip to shoulder.

JACOBSON DRY GOODS CO.

The Biggest Store With the Smallest Prices.

RHINELANDER, = = WISCONSIN.

A CLOSE INSPECTION OF OUR STOCK

Will reveal its superior quality and convince you of the wide difference that really exists in lumber. You may imagine that lumber is all the same, but you were never more mistaken in your life, if you imagine that. There's as much difference between two boards that pass for the same grade as there is between a plug and a thoroughbred.

We invite a critical examination of our stock, simply because we know it to be much better than the average. **QUALITY:** That's our hobby. When we sell you a bill of lumber we want to know positively that you will be satisfied that you've got the best your money will buy, and will come to us when you want something else in building material.

RHINELANDER LUMBER & COAL CO.

THE CITY IN BRIEF

Chris. Eby returned from Milwaukee Friday.

Clayton Cummings of Hiles was in the city Saturday.

Mrs. Lee Olsson of Seymour is visiting friends in this city.

Marksman's pin found by Frank F. Martin. Get at New North office.

Do you know that more real danger lurks in a common cold than in any other of the minor ailments? The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible. This remedy is for sale by

All Dealers.

PARKER HERE SOON

Ira S. Parker, Assessor of Incomes will be at the court house, Rhinelander, Thursday and Friday, Feb. 27th and 28th, for conference with those so desiring in making out their income Tax returns.

After any Sickness

nothing so rapidly restores health and vigor as **SCOTT'S EMULSION**. It is the essence of natural body-nourishment, so medically perfect that nature immediately appropriates and distributes it to every organ, every tissue—feeding, nourishing and restoring them to normal activity.

SCOTT'S EMULSION is not a patent medicine, but is nature's body-nourishment with curative, upbuilding properties and without a drop of drug or alcohol. It contains superior cod liver oil, the hypophosphites of lime and soda with glycerine, and is so delicately emulsified that it enters the system without digestive effort—builds, tones and sustains.

After croup, whooping cough, measles and other child ailments it is nature's ally in restoring health.

After grippe or pneumonia it imparts strength and health, and for colds, coughs, sore, tight chests and throat troubles **SCOTT'S EMULSION** gives the greatest relief known.

After grippe or pneumonia it imparts strength and health, and for colds, coughs, sore, tight chests and throat troubles **SCOTT'S EMULSION** gives the greatest relief known.

After croup, whooping cough, measles and other child ailments it is nature's ally in restoring health.

After grippe or pneumonia it imparts strength and health, and for colds, coughs, sore, tight chests and throat troubles **SCOTT'S EMULSION** gives the greatest relief known.

CARELESSNESS CAUSES FIRE

T. M. Purcell Issues Warning As To Use Of Matches

One hundred seventy-five "match" fires, causing a property loss of \$75,475.00, is the Wisconsin record for the fiscal year ending June 30th, 1912.

Of these fires 91 were caused by children playing with matches, and 84 were due to the use of "parlor matches" and general careless use of matches.

Quite a number of children also lost their lives in these fires.

Competent authorities estimate that for the United States a property loss of \$15,000,000 and a loss of 500 lives is the average annual match toll. Some of these fires are wholly to the use of the so-called "parlor match" or "strike anywhere match," the others to the careless use of matches, even of the safety variety.

Remedy
The remedy in the case is simple, viz., prohibit by state law the manufacture and sale of "parlor matches" and all other "strike anywhere matches."

This will compel the use of the "safety match" or double dip match of which the first dip is non-ignitable on an abrasive surface.

Carelessness is harder to prevent and we only can urge the observance of a few simple rules:

1. Children under ten years of age should not have access to matches; nor be permitted to play with them;

2. Covered earthen or metal receptacles for matches should be placed in each room on the wall, five and one-half feet above the floor, with a like receptacle for burnt matches;

3. Avoid leaving matches on mantels, shelves, tables or in drawers or carrying them in pockets except in a metal case;

4. Do not use lighted matches to look for things in closets or dark rooms, nor to find gas leaks, nor in oil rooms;

5. Never throw away a match just used until it is completely out and no trace of glowing coal is left;

6. Never throw a match just used into the wood box, a cellar way or sidewalk area, waste box or basket onto the floor, or anywhere else where rubbish may be set on fire;

7. To protect yourself, your family and your property use "safety matches" ONLY.

T. M. PURCELL,
State Fire Marshall.

GOOD BUSINESS

The Old Line Life Is Making Conservative Progress

One of the flourishing financial institutions of this part of the west is The Old Line Life Insurance Company of Milwaukee, Wis., which has several stockholders in this part of the state. The annual statement of this company, just published makes a fine showing for conservative management and financial strength. The increase in new business for 1912 was over 33 1-3 percent, with a gain of insurance in force of \$1,651,500. The cash capital paid in, surplus and legal reserves, all held for the protection of policy holders, aggregate the handsome sum of \$1,011,782.38. The assets of the company on Jan. 1st, were a few thousand dollars more than the last item, and the insurance in force reached the handsome figure of \$3684,500. It is a showing that indicates good business and financial management and one that is calculated to inspire confidence both in those insured and in the stockholders of the company.

Frank Stransky, formerly of this city and now a resident of northern Minnesota, passed through Rhinelander Monday on his way to Antigo.

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by

AGRICULTURAL NUMBER

Superior Telegram Will Boost Entire Northern Wisconsin

About May first the Superior Telegram, that most excellent newspaper, will issue a special Agricultural Number in which the farming industry in entire northern Wisconsin will be boosted. The number will contain at least one hundred pages and will be printed on book paper.

The editorial work, as well as the business end of this undertaking, will be in the hands of Mr. Henry P. Peterson of the Telegram staff, than whom there are perhaps few better qualified by years of travel all over this section of the state, and with more than a year's undivided study of needs and conditions, as well as the wonderful possibilities that all North Wisconsin has entirely offers to the Poor Man with little capital other than health and strength, and above all else, a grim determination to work and win.

It is perhaps not overstating the facts to say that Mr. Peterson has met and can describe hundreds, are thousands of just such cases from his itinerant in all the nooks and corners in this entire north half of the State during the last 10 years or more. And he has also observed and studied soil conditions all over this section. These facts and many more in detail, will be set forth and worked out in The Telegram's Great Special Number for North Wisconsin.

There is no better medicine made for colds than Chamberlain's Cough Remedy. It acts on nature's plan, relieves the lungs, opens the secretions, aids expectoration; and restores the system to a healthy condition. For sale by

Senator W. T. Stevens returned to Madison Sunday night after a two days stay in this city looking after business matters.

RHINELANDER DRUGGIST DESERVES PRAISE

J. J. Reardon deserves praise from Rhinelander people for introducing here the simple buchu bark and glycerine mixture, known as Adler's. This simple German remedy first became famous by curing appendicitis and it has now been discovered that A SINGLE DOSE relieves sour stomach, gas on the stomach and constipation INSTANTLY.

Although blind Mr. Griffin went about unassisted. He used to come to Rhinelander alone and walked about the streets and filled all appointments without help. He was a good musician, a genial man and had many friends in Rhinelander.

Mr. Griffin became blind when he was seven years of age. While playing baseball he was hit in the eyes by a stone thrown by one of his companions, the loss of his sight following.

Although blind Mr. Griffin went about unassisted. He used to come to Rhinelander alone and walked about the streets and filled all appointments without help. He was a good musician, a genial man and had many friends in Rhinelander.

ALL NOTICES will be charged at regular rates except notices of church services. Paid advertisements for churches will be charged at half rates.

If you wish to know what the officials of the city of Rhinelander are doing, you must take the New North. It is the official city paper. It is also the only official county paper for Oneida county. Know what is going on in your city and county.

It is useless for candidates to ask credit at this office. Pay when you order the work done. You will be better satisfied and so will we. Political debts are not easily collected.

We stand squarely with the sheriff against allowing houses of prostitution in our county. Open vice begets vice.

After a warm debate in the lower house Tuesday, Assemblyman O'Day was declared officially elected and given his seat in the legislature, by a viva voce vote.

Mr. O'Day stands squarely with us against the Griffith policy.

Wisconsin is to be in the vanguard of states to send to congress ratification of the constitutional amendment calling for election of United States Senators by direct vote of the people. The state senate went on record as overwhelmingly in favor of the measure and the assembly is due to act soon.

It is time that the city council should pass an ordinance to stop the sale of all milk except that approved by the city health department or to require it pasteurized. This subject is being taken up by other cities why not Rhinelander? Impure milk means the loss of many young children.

LETTING GEORGE DO IT
The editor of the Rhinelander New North, who acquired a competency teaching school instead of a fortune sawing logs, grumbles:

There are two ways of skinning a cat. . . . Either way makes the small taxpayer pay more taxes.

Our best citizens do not believe in discouraging industry. Their motto is: Let the poor pay.

The rich need the money to help the town.—Milwaukee Leader.

NEIGHBORHOOD CENTERS IN SCHOOL HOUSES

The use of the school house as a social center is contemplated in the measure introduced by Senator Hoyt of Menominee Falls. It is the carrying out of the social center idea already in vogue in some sections of the state, most notably in the city of Milwaukee, and will do much, it is said, to form a closer relationship between citizens. The proposed law provides that the school houses shall be used for all public meetings that are not of a partisan, sectarian and exclusive nature.

JAIL FOR TRUST MAGNATES

The president of the National Coal Register company and twenty-eight associate officials of this company have been given prison sentences by the government for forming a trust to restrain trade in violation of law. These officials are by no means in jail; they have now carried their case up to the supreme court. It remains to be seen whether they will ever serve prison sentences. If money will prevent, they never will. Public sentiment is growing in favor of giving rich criminals the same punishment that poor men would receive for like offenses.

A MERITORIOUS BILL

A bill is now before the legislature at Madison for a weekly pay day. We believe this right and just. It would be of great benefit to the laborer and likewise of great benefit to the groceryman and meat man. The laborer could buy cheaper; the merchant could and would sell closer. It would reduce his chances for loss. Every good employer, every good citizen should approve of this bill. The laborer is entitled to his own money. Why should the employer have the use of this money a whole month at the expense of the laborer and the risk of the merchant?

PENSION DEFENDENT MOTHERS

The subject of mothers' pensions is one of the important pieces of legislation to be taken up at this session of the legislature. This was one of the planks in the Republican platform of 1912.

Friends of the measure introduced by Assemblyman John L. Schnitzler, De Pere, aver that the proposed Wisconsin law is not only a boon to unfortunate mothers and children but an economical one to the state. It is not experimental, they claim, having been in successful operation in New Zealand, New South Wales, Victoria, B. C., and the state of Illinois.

The plan for the working out of the law is simple, calling for the appointment of a state child protection agent. He, in turn, has authority to select twelve or fifteen assistants in the more thickly populated counties and these deputies shall be assisted, if necessary by "visitors". The duties of the visitors shall be to keep a check on all charity dispensed and secure data valuable to the state agent.

The maximum amount allowed for the maintenance of a child is \$12.00 per month. It costs the state \$21.98 per month to care for a child in the state home for dependent children at Sparta, this fact showing that under the proposed law a saving of \$9.98 per month will be made for the state on each child.

A desire to keep the child in the home and out of institutions is the humanitarian motive behind the measure, it having been proven that an institutional child rarely develops into the highest grade of citizen.

A Saving and Not An Expense

The plan does not entail "additional expense" as it is simply taking funds already used for charitable purposes and applying them in a better manner.

Opposition to the measure has been registered by many associated charities. In most instances the opponents are representatives of charitable institutions which pay half their funds to officers to disburse the remainder to the poor.

ROBBED AT RHINELANDER

While at Rhinelander last week the high school basketball boys were led to believe that they had struck a veritable den of robbers. Their suit cases were broken into and rifled of their contents including two pairs of suction soled shoes, several sweaters and jerseys, a knee pad and a new basketball which had been used for the first time that day. The goods taken being valued at about \$30.00.

The principal of the Rhinelander high school was notified and immediately started an investigation with the result that the plunder with the exception of the ball was returned and the Park Falls boys were authorized to purchase another ball at the expense of the Rhinelander team.—Park Falls Herald.

It is high time that the better element of citizens here take steps to prevent such outrages. If something is not done and done at once the name of our city will become a blot upon the map of northern Wisconsin. Those responsible for the above mentioned theft should be prosecuted to the limit.

LAFOLLETTE'S NEW POSITION

Beloit Free Press, Tory Rep.—Senator LaFollette is reaping the benefits of his refusal last fall to join the Progressives under Col. Roosevelt by having been made a member of the Republican steering committee in the senate and finally in having his legislative program adopted. Four of the five bills to be pressed for passage are of his authorship.

Antigo Journal, Rep.—It seems most unusual that the Wisconsin senator should be placed on this committee in view of the fact that he has as yet not changed his views on matters of legislation, but on the contrary, has grown more progressive. The charge hasn't been with LaFollette, it has been in the senate. The ideas supported by LaFollette when he first entered the senate were considered Socialistic and he was simply "sat down on." These same views are now considered conservative. The world does move.

Beloit News, Progressive Rep.—This appointment of LaFollette to this important committee bears a significance greater than might be apparent at first glance. Mr. LaFollette has always expressed his belief in working out reforms through the Republican party. He sought to make the old party Progressive in character. The fact that he is now recognized by the organization to the extent mentioned is evidence that his plan is working out successfully.

THE POSTOFFICE SITUATION

Saturday, February 15th, the so-called pork barrel bill passed congress whereby Merrill gets a seventy five thousand dollar postoffice building. Rhinelander did not appear among the list of towns to have a government building as we were well aware it would not. In spite of the fact that Uncle Ike asked the senate to pass a bill giving this town \$91,000.00 for postoffice and site. It was kind of Uncle Isaac to do this but, of course, there is nothing to it. The man who will get us a postoffice building is Irvine L. Lenroot, our congressman in spite of deception or misrepresentation. If lies with him to name the town in his district and he says he will name Rhinelander in the next congress. We appreciate his kindness to our city and wish to let our readers know that when we get a government postoffice here it will be through our congressman according to a long honored custom so we should tack our faith to our congressman instead of to the U. S. Senator.

We publish a recent letter from Congressman Lenroot.
Washington, D. C., Feb. 10, 1913.

New North,
Rhinelander, Wis.

Dear Sirs:

I have yours of the 7th instant and note contents. In reply will say that it is true that Senator Stephenson has secured the passage of a bill for a public building at Rhinelander appropriating \$91,000. This, however, means nothing in its present form, for it is one of those senatorial courtesy matters that cut no figure and get nowhere. The real public building bill is the Omnibus Bill in which all public buildings are included in one bill. As I think I have fully explained to you and to the people of Rhinelander, the committee of Public Buildings and Grounds give but one public building to each congressman. Merrill already had a site and I had introduced a bill for a building upon that site; then the Rhinelander matter came along, and while I introduced a bill for Rhinelander it was with the expectation of securing favorable action at this session because of this invariable rule of the committee.

Now while the Merrill bill is pending in the House, the House will not add the Rhinelander Bill to the Public Building Bill, for the reason that they do provide for one building at Merrill which is all that the district is entitled to under their rule. When the Public Building Bill comes up in the Senate it will then be possible for Senator Stephenson to offer the Rhinelander bill as an amendment to the Omnibus Bill providing for a building for Rhinelander. It is quite probable that the Senate will adopt it and it would throw the matter into conference. After getting into conference, as to whether the Rhinelander item will stay in the bill would depend wholly upon the Senate conferees, and I of course shall be very glad if it reaches that point to as far as any way within my power to make it stay there, but the fact is as I have heretofore stated that the situation in the House is such that my statement was exactly correct that there is no way that I can do anything for Rhinelander or any other member of the House or anything for Rhinelander so long as Merrill came ahead of it. As I have stated to you and to your people with Merrill out of the way Rhinelander is sure to be included in the next public building bill. Trusting that this will explain the situation, I remain,
Yours very sincerely,
I. L. LENROOT.

BAR UNEDUCATED FOREIGNER

Last Friday President Taft vetoed the Dillingham-Burnett bill to regulate immigration of aliens into the U. S. Since then the bill has been passed over the president's veto by the U. S. Senate by a vote of 72 to 18. It is doubtful whether the house will pass this measure over the president's head although the bill passed the house originally by 179 to 52.

While the president recognized many good features of the bill he fears the hardship and injustice of the educational requirements. President Taft says many foreigners can not read and write their own language from no fault of their own but because their government discourages education. He further says that many of these people buy land and become good citizens. We fully believe the president is right. The test should not be wholly education but be based on criminality. A complicated immigration law is apt to do great injustice to many worthy people.

Preparatory Removal Sale

As I intended to be in my new location by March 1st I purchased heavily in anticipation of the move. I now find that I cannot occupy the building until about March 15th and as the goods which I purchased are arriving daily, overcrowding my present store I am forced to dispose of the stock in order to make room.

EVERYTHING WILL BE SOLD AT A SACRIFICE OF PROFITS

This sale will begin Saturday, February 22, and continue until I move. This is a rare opportunity to save money. Money saved is money earned. The articles are too numerous to list in this space but call at the store and be convinced

Everyone Is a Bargain

August Carlson

137 STEVENS STREET

Rhineland, Wis.

Wisconsin

These are the days of swan songs the Tafts, the Cannons, the McKinnleys and the Baileys are all singing their doleful tales and making predictions that should have little weight with the voters. These men failed to respond to the wishes of the masses and are down and out and should have little consideration with the new order of things. "Let the dead past bury the dead." LaFollette whose warning was not heeded, is now at the helm at Washington dictating the republican policies, in the interests of the masses.

A RATHER SERIOUS JOKE

It is to the credit of City Superintendent Colburn that all the things that were taken from the Park Falls basketball team have been returned to their owners. A repetition of this disgrace should cause all relations between our team and outside teams to be abolished until some of the "cute ones" wake up to the rules of decency. If some of the parents would use a little more wisdom and not think their children's depredations quite so cute, much trouble and disgrace would be averted. We do not believe the property was taken with vicious intent but this should be a warning not to mix jokes with criminal acts.

FIVE LA FOLLETTE BILLS

Senator Robert M. LaFollette took over leadership of the Republican party in the senate Saturday when the Republican senate conference adopted unanimously the report of the committee of five, on order of business in the senate for the rest of this congress.

The committee, of which Senators LaFollette and Cummins are members, reported five bills with the recommendation that they be taken up as party measures and pressed on for consideration before adjournment.

All five have been classed as LaFollette legislative policies. They include physical valuation of railroads; authorization of a legislative drafting and reference bureau in the Library of Congress; restricting the issuance of intercounty injunctions known as the "anti-injunction bill;" regulating hours of employment for women in the District of Columbia, and a bill for a tariff commission.

THE WRONG IMPRESSION

The majority of the states have ratified the amendment to the federal constitution authorizing a national income tax law and congress will probably enact one at the coming session. Wisconsin's income tax law will then be void as the federal law will then take precedence.—Rhinelander News.

The federal income tax law will have nothing to do with the Wisconsin law. The National Government will tax incomes on a certain basis to help meet its expenses and Wisconsin will tax incomes on a certain basis to meet part of its expenses. It is not a double tax in any sense and there is little danger of repeating the Wisconsin law. Already other states now have bills in their legislature for income taxes modeled after the Wisconsin law.

GRIFFITH'S HARMFUL THEORIES

A disclosure of Chief Forester Griffith's reforestation plans reveals the fact that the whole region north of us will be swallowed up into a vast state forest if he has his way. Vilas county and over half of Oneida county will be turned to a forest region. If the newspapers quote correctly, the chief forester tells his story to meet the spirit of his audience. He is smooth if you do not know the other side of the question. This paper has always stood for reforestation of lands worthless for agricultural purposes. It stands for the same policy now but it is not in favor of using good farm lands for forestry purposes. Mr. Griffith says he agrees with us and he tells us he bases his work on the soil survey but he does not, for the greatest forestry holdings are in Vilas and Oneida counties where there has been no soil survey (See Wisconsin Bulletin No. 223 Jan. 1912 Agr. Experiment, pages 22 and 23.) It is not reforestation we object to but reforestation gone mad by a theorist. See in other columns what reforestation of the Griffith kind would cost every county in the state.

Our county board is right in sending representatives to Madison to fight this proposition as Griffith tries to carry it out. It will cost money but we are willing to pay the bills to enlighten the taxpayers of Wisconsin as to the true conditions.

EXECUTE MADERO'S BROTHER

The past week blood has flown freely in the city of Mexico. Lawless warfare has run riot. As a result of these battles, two of the aides to President Madero betrayed him to his enemies; he is now in the hands of the revolutionists, his brother Gustavo Madero has been executed and Felix Diaz, the revolutionist leader is in control.

It is said the ex-president is to be exiled. Others fear for his life. It is difficult to tell whether there is any stability in the government now or no, or whether warfare will continue.

WOODSMAN HURT

A woodsman employed at J. Mayo's camp was brought to the hospital in this city last night badly hurt. He was struck on the head by a falling tree. He may not recover.

C. A. Wixson, Chas. Conroy and E. C. Sturdevant returned today from Milwaukee where they attended a Masonic gathering.

CASSIAN

M. C. Peterson shipped a car load of potatoes Monday to Chicago.

The Grange will give a dance Feb. 22; all are cordially invited.

Mrs. E. Marsh and children are visiting at the home of A. K. Tressness this week.

Harry Lund is working for John Selmer.

A baby boy was left at the home of Mr. and Mrs. Olaf Olson Feb. 12.

Mr. and Mrs. Albert Ossman were callers at Ira Smith's Sunday.

Miss Lillie Wogoland of Minocqua attended the confirmation services at Prairie Lake Sunday.

Rev. Ramoth of Merrill preached his farewell sermon to his congregation at Prairie Lake Sunday, and also confirmed a class of three. The class were Arvin and Mabel Wogoland and Alvin Peterson. Rev. Ramoth will begin his new field of labor at Oxfordville, Rock county, soon.

Mrs. Mike Fredericks and children visited relatives in Harshaw Saturday and Sunday.

Mrs. Musson and Mrs. Smith attended R. N. A. meeting at Mrs. Breck's Saturday. The next meeting will be held with Mrs. Musson March 15.

Aching Kidneys Cured in Rhinelander

"Every Picture
Tells a Story."

Are YOUR Kidneys Weak?

HOW TO TELL—First read the testimony and learn what Doan's Kidney Pills have done for others.

Then, if your back aches, if sharp pains strike you when stooping or lifting; if you are lame in the morning, tire too easily; if you have dizzy spells and are nervous, despondent and inclined to worry over trifles; if the kidney secretions are highly colored and full of sediment, if passages are too frequent, scanty, painful or scalding, it is likely that your kidneys need quick attention.

Take a sample of the urine and let it stand for 24 hours. If a sandy, brick-dust like sediment settles to the bottom of the receptacle, there is evidence enough to suspect the kidneys.

If Your Back Aches and Your Kidneys are Weak, Get the Kidney Remedy That Has Been Proved GOOD Again and Again Right Here in Rhinelander.

Rhinelander People Tell It:

ARBUTUS STREET	BROWN STREET	E. KING STREET
Mrs. A. Gruebel, 828 Arbutus St., Rhinelander, Wis., says: "I have found Doan's Kidney Pills to be just as represented. When I recommend them I know that I am praising a good remedy for kidney trouble. I had an attack of this complaint and was suffering quite severely when I got Doan's Kidney Pills at Reardon's Drug Store. Soon after using them the pain disappeared and I felt much better in every way. I gladly recommend Doan's Kidney Pills again. Whenever I use them they bring the best results and I have thus been convinced of their merit."	George Nagle, merchant, 26 Brown St., Rhinelander, Wis., says: "Doan's Kidney Pills have been used for backache and kidney trouble and the results have been satisfactory. We do not think there is a better kidney medicine to be had than Doan's Kidney Pills and we recommend them at every opportunity." S. D. Nelson, grocer, 123 S. Brown St., Rhinelander, Wis., says: "I used Doan's Kidney Pills for backache and found prompt and lasting relief. I strongly recommend Doan's Kidney Pills for kidney trouble."	Mrs. Henry Hagan, 130 E. King St., Rhinelander, Wis., says: "I know that Doan's Kidney Pills are a splendid kidney medicine and will benefit anyone who takes them according to directions. My back was lame and my kidneys were disordered as was shown by the unnatural appearance of the kidney secretions. I took medicine of various kinds, but was not benefited until I got a supply of Doan's Kidney Pills at Reardon's Drug Store. They restored my kidneys to a normal condition and drove away all the pains and aches."
MASON STREET	WABASH STREET	MASON STREET
Mrs. A. Rosemark, 709 Mason St., Rhinelander, Wis., says: "My kidneys failed to do their work properly and I suffered from backache. Doan's Kidney Pills procured from Reardon's Drug Store, drove away the trouble. Another of my family had a lame and painful back. This person's kidneys were also in bad shape and the kidney secretions were irregular in passage. As soon as Doan's Kidney Pills were used relief followed."	Frank Rogers, grocer, 730 Wabash St., Rhinelander, Wis., says: "I had attacks of backache and there were acute pains through my kidneys. When I learned of Doan's Kidney Pills I got a box at Reardon's Drug Store and in a short time I had relief." Jay E. Russ, 817 Wabash St., Rhinelander, Wis., says: "Doan's Kidney Pills are by far the best medicine to use for kidney complaint. A strain was the cause of this trouble in my case. My back became very weak and my kidneys were also disordered. Doan's Kidney Pills, procured from Reardon's Drug Store, removed the complaint and I have never had a return attack."	Mr. S. Johnson, 626 Mason St., Rhinelander, Wis., says: "I suffered from dizzy and nervous spells and my back and head ached severely. These troubles were all caused by disordered kidneys. Doan's Kidney Pills, procured at Reardon's Drug Store, made a complete cure." Mrs. D. McIntyre, 831 Mason St., Rhinelander, Wis., says: "For years I have considered Doan's Kidney Pills the best kidney medicine on the market. My kidneys were weak and I often had backache and dizzy spells. I was nervous and in the morning felt very tired. Doan's Kidney Pills, procured at Reardon's Drug Store, gave me relief as soon as I began taking them and I continued until the trouble left."

DOAN'S KIDNEY PILLS

Sold at all druggists and general stores, 50c a box, or mailed on receipt of price by FOSTER-MILBURN CO., Buffalo, N. Y.

FARMERS' COURSE HERE IN MARCH

Instructions Will Be Given By
Agriculture College Professors

The first week in March, probably March 5th, 6th, and 7th, or March 8th, 7th, and 8th, the annual Farmers' Course will be held in Rhinelander. Regular professors of the College of Agriculture will do the teaching and lecturing work. It will be recalled by many who attended the course last year that this course is a splendid thing for any one. While of especial benefit to farmers yet it is very interesting to all.

In a few days the program of the course will be distributed broadly, and it will also be published in the papers. While a little early to say exactly of what the course will be made up, yet it has been suggested that some of the main features be lectures upon soils and the proper handling of soils, rations for dairy cattle, the proper handling of barnyard manure, horses, the production and care of milk for use in making whole milk, butter and cheese, and a thorough presentation of the subject of pedigree grains. This would make a very rich course for the farmers of Oneida county.

Last year about every section of the county was represented at some time during the course. With the knowledge of what the course of last year was it would seem that not much advertising would be necessary. A large attendance should be the order.

At this course an endeavor will probably be made to establish a county branch of the Wisconsin Agricultural Experiment Association. This association grows pure bred grains and alfalfa especially. The members of the association receive seed from the College of Agriculture. If a good, strong association could be formed, it would be of great benefit to the farmers. Oneida all together.

county can grow good grains. The farmers of Oneida county ought to be getting good prices for seed grains instead of selling grains for market purposes and taking market prices. A good many men in the state are becoming rich by growing pure bred seeds. This county branch of the Experiment Association ought to try to secure in some way a clover huller or hullers. This county can just as well as not turn out a good many hundred dollars worth of clover seed. Farmers ought to come and try to help organize such an association.

At this meeting of farmers the matter of membership in the Wisconsin State Potato Growers' Association ought to be looked after. Potatoes are our great crop and organization ought to help in the production and handling of this crop. This meeting is held early in March to give farmers opportunity to think about what they want to do during the coming season and then to arrange for any special seeds that they may wish.

The whole matter of silos ought to receive attention. In this county this winter it has been demonstrated just what a silo will do. Then men who do not have silos are or the anxious seat about their feed. The men who do have silos do not have to worry at all. They have good feed, the very best feed, enough feed, and it is handy to feed. Cattle leave everything else to eat silages. A good many men who do not have silos are having to feed scant rations and the result is that the cattle are hungry. Hungry cattle do not produce anything. At the farmers' course we ought to get the silo construction matter well arranged and then get our seed corn and put in enough seed to plant enough corn to fill the silo. The matter of filling a silo cannot be an afterthought. The fields of corn must be planted before the silos are begun. The erection of 100 silos in this county would prove to be the very best investment that the county could make. If 100 cannot be erected, fifty would help a lot. If we cannot get 50, let us surely put up 25. Come to the farmers' course and get together on silo filling machinery. Plan to cooperate in silo building for Oneida county, it would be of great benefit to the farmers. Oneida all together.

F. H. Plehl of Gagen was in the city Wednesday.
Wm. Timm went to Manawa Wednesday where he will take charge of a cheese factory.

HARVEY NELSON CHIROPRACTOR

Will have offices in
the Hilgerman block,
209 S. Brown street,
over the meat market
after February 13.

OFFICE HOURS:
10 to 12 M. 2 to 5, 7 to 8
P. M. And by appointment.
'PHONE 301-4

The Connor Lumber & Land Co.
LAONA, WIS.

MONICO

Dr. Owens of Elcho made several calls during the past week.

H. Roughton has been confined to the sick bed with a slight case of diphtheria. The house and occupants were placed under quarantine by Health Officer Dr. P. E. Kabel. Careful attention from the start has eliminated much danger.

Matt Stapleton made a business trip to this town on Monday.

Mrs. Meagher went to Antigo on Thursday of this week.

Wednesday afternoon Mrs. Farley entertained the Royal Neighbors by serving coffee. The time was spent in discussing social affairs and other topics.

A petition has been circulated through town requesting the school board and directors to fumigate the school house. Parents are experiencing great fear for their children since so much sickness is now in town. It is hoped immediate action will be taken in this direction.

On Friday the upper department of the school held the Woman Suffrage debate. There were exactly six boys and six girls on the debate. The girls, the affirmative, received a unanimous decision. Miss Hazel Farley, Mrs. H. Kesler and Mrs. Wm. Meagher acted as judges. The affirmative was supported by: Marie Kelly, Bessie Taylor, Edna Lagon, Regina Carley, Lillian Miller, Frances Woodzicka. The negative was supported by Franklin Jilison, James Kelly, John Miller, Edward Briesse,

Arthur Kuehn, Warren Jilison.

Mrs. M. Wesolowski went to Rhinelander on Monday.

Miss Hazel Farley went to Rhinelander on Saturday.

Miss Ethel McCamley spent Saturday and Sunday at her sister's home at Woodruff.

Mr. Erickson went to the city Saturday.

Mr. Wesolowski went to visit his daughter at Woodboro on Monday.

John Stevens went to Rhinelander on Saturday.

On Monday "Jim" Murphy made a trip to Rhinelander.

Edward Wolfram accompanied Mr. and Mrs. Erwin Durkee to the ski tournament at Ironwood.

Walt Phillips attended to some business matters at Rhinelander last Saturday.

Orson Rosinski and Albie Wesolowski went to Manitowoc on 112 Sunday. Judge Chloupec of that city will marry the couple some time this week. They are going to make their home there. Friends met them at the depot and extended the best of wishes and congratulations.

Mrs. Rudy Peterson and Mrs. Wilis Baldwin went to their homes on Wednesday. Mrs. Peterson lives at Stevens Point. It is "up to" Wilis and Rudy to show their resourcefulness at keeping house and cooking.

Ed. Carley is on the sick list. Elsie Singer has been engaged to work at the Monico House.

Ed. Sucke is again counted out. Happily he is again recovering.

J. Wenz, the teacher of the east district, has received his \$55.00 via M. The walls of the country school house are reverberating with the prices will appeal to you.

melodious sounds of that Ired instrument.

Earl Nye is still sick. He is unable to go to work.

Emil Meyer met with a serious accident at his camp last Thursday, an ax slipped and cut his right foot, severing two of the ligaments. Mr. Meyer went to Rhinelander Monday to have the foot treated. It is hoped that no permanent lameness results.

The girls' U. P. G. club gave a card party last Saturday night. The receipts go to buy material for the girls' athletic association.

Miss Emma Huykes spent Friday and Saturday with her folks.

Miss Ethel Kelly of Antigo spent a few days at Monico last week.

Mrs. Joe Kurtz and son, Joseph, went to Rhinelander on Tuesday.

Mrs. James Murphy went to Antigo on Tuesday.

Miss Rice spent Saturday and Sunday with her folks at Pelican.

Tom McKendry has returned from Melrose where he lived with his uncle.

Sherman Wade and Johnnie Hansack paid a short visit at Monico on Sunday.

Pat Kelly of Watersmeet visited at Monico on Friday.

The Royal Neighbors will give a card party on Saturday evening, Feb. 22 at the school house. Prizes will be given. Be sure and come. Bring your hatchet and ten cents with you.

Read the advertisement of the Goldberg feed store in this issue. The house are reverberating with the prices will appeal to you.

COUNTY BOARD PROCEEDINGS

Rhineland, Wis., Jan. 27th, 1913, 2:00 P. M.

Board of Supervisors of Oneida County, met pursuant to adjournment. Meeting called to order by Chairman B. N. Moran. Roll call the following Supervisors were present: Anderson, Barlow, Brown, Dunn, Knapp, Keeler, Lubold, Meyers, Morrill, Moran, Olson, Papineau, Scott, Wubker and Wolfgram.

Moved by Supervisor Wubker and seconded by Supervisor Lubold that the bill of Rand, McNally & Co., for maps, in amount \$1065.00 be allowed at \$500.00. Motion carried.

All bills on file were referred to the proper Committees.

The following ordinance was read:

AN ORDINANCE

To detach a portion of the Town of Enterprise and attach the same to the Town of Schoepke.

The County Board of Supervisors of the County of Oneida, State of Wisconsin, do ordain as follows:

Section 1. Sections number Four (4), Nine (9) and Sixteen (16) of Township Thirty-five North, Range Ten East, Oneida county, Wisconsin, now situated in the Town of Enterprise, are hereby detached from said Town of Enterprise and the territory so detached is hereby attached to and made a part of the Town of Schoepke in said county.

Section 2. The Town Boards of the Towns of Enterprise and Schoepke shall meet at the Town Hall in the Village of Pelican Lake in said Town of Schoepke on the 10th day of February, 1913, at 11 o'clock A. M. of said day and determine the just share of credits which said Town of Schoepke shall receive from the Town of Enterprise and what portion of the indebtedness provided by Section 1 of this ordinance goes into effect shall be chargeable to the portions so detached and attached to the Town of Schoepke, by reason of such a change.

Section 3. This ordinance shall take effect from and after its passage and publication.

Introduced and passage moved this 28th day of January, 1913, by

ED. WOLFGRAM, Supervisor.

On motion board took a recess until 2 P. M.

WM. W. CARR, County Clerk.

Rhineland, Wis., Jan. 28th, 1913, 2 P. M.

Board of Supervisors of Oneida County, met pursuant to recess taken. Meeting called to order by Chairman B. N. Moran.

Moved by Supervisor Wubker and seconded by Supervisor Barlow that the ordinance to detach a certain portion of the Town of Enterprise and attach same to the Town of Schoepke, be adopted. Motion carried, and ordinance adopted, the supervisors voting as follows: Barlow, Dunn, Knapp, Lubold, Meyers, Moran, Papineau, Scott, Swenson, Wubker and Wolfgram, (11) voting aye and Anderson, Brown and Keeler (3) voting no.

Moved by Supervisor Scott and seconded by Supervisor Barlow that the report of Committee on Public Property in regard to the matter of having transcript made of two records in the Register of Deeds office be accepted. Motion carried.

Moved by Supervisor Brown and seconded by Supervisor Scott that the reading of the following report of the Clerk of the Court be dispensed with and the same be adopted. Motion carried.

Dated Rhineland, Wis. Jan. 2nd, 1913.

E. C. Sturdevant, Clerk Circuit Court.

State of Wisconsin SS
County of Oneida

I, E. C. Sturdevant, Clerk of the Circuit Court in and for said County and State, do hereby certify that I have compared the foregoing transcript with the original record of Court Certificates issued in said office, from the first day of Jan. 1912 to the 31st day of December, 1912, inclusive; that the same is a true, correct and complete transcript thereof and of the whole thereof, as the same remains of record and on file in my said office.

Witness my hand and official seal this 2nd day of January, 1913.

E. C. Sturdevant, Clerk.

Moved by Supervisor Scott and seconded by Supervisor Wubker that the matter of building a sanitarium be referred to committee and District Attorney and taken up at next meeting. Motion carried.

Moved by Supervisor Wubker and seconded by Supervisor Barlow that the Chairman and Clerk be and hereby are instructed to draw orders for all bills allowed at this meeting. Motion carried all voting aye.

Moved by Supervisor Scott and seconded by Supervisor Papineau that the matter of furnishing a room for the Janitor's supplies be left to the Committee on Public Property. Motion carried.

The following report of Committee on Per Diem was read.

To the Board of Supervisors of Oneida County, Wis:

Gentlemen: We, your Committee on Mileage and Per Diem, beg leave to report the following as the amount due each member of the Board for his attendance at this meeting.

Department of the Interior

U. S. Land Office at Wausau, Wisconsin,
February 15th, 1913.

Notice is hereby given that Victor Ricard, of McLeod, Wis., who, on March 28th, 1896, made Homestead entry No. 11709, Serial No. 2210, for SW 1/4, NW 1/4 and NW 1/4, Sec. 18, T. 26 N., R. 26 E., 4th P. M., has filed notice of intention to make Final Five Year Proof, to establish claim to the land above described, before the Clerk of the Circuit Court of the County of Oneida, at Rhineland, Wis., on the 20th day of March, 1913.

Claimant names as witnesses: John Gardner, William Dietrich and Abe Young of McLeod, Wis.; John F. Kavanagh of Clifton, Wis.

L. E. M. 11-12 JOHN W. MILLER, Register.

Summons

State of Wisconsin, County of Oneida, in Circuit Court.

Celia Goulette, Plaintiff.

Roderick Goulette, Defendant.

The State of Wisconsin to the said defendant: You are hereby summoned to appear with summons, return of the day of service, and defend the above entitled action in the court aforesaid, and in case of your failure so to do, judgment will be rendered against you according to the demand of the complaint, of which a copy is on file in the office of the clerk of the court above named.

R. J. MORRIS, Attorney for Plaintiff.

P. O. address: Rhineland, Wisconsin. L. E. M. 12-61.

In Probate

State of Wisconsin, County Court for Oneida County.

In the matter of the Last Will of Jacob Sreen, Sr., deceased.

Letters Testamentary on the estate of Jacob Sreen, Sr., late of the city of Rhineland in said county of Oneida deceased; having been duly granted to C. H. Roepcke by this Court.

It is Ordered: That the time from the date hereof until and including the first Tuesday of September A. D. 1913 be and the same is hereby fixed as the time within which all creditors of the said Jacob Sreen, Sr. deceased shall present their claims for examination and allowance.

It is Further Ordered: That all other claims and demands of all persons against the said Jacob Sreen, Sr., deceased, be examined and adjusted before this Court at its Court Rooms in the Court House in the City of Rhineland in said County, at the regular term thereof to be held on the first Tuesday of September 1913, and all creditors are hereby notified thereof.

It is Further Ordered: That notice of the time and place at which said claims and demands will be examined and adjusted as aforesaid, and of the time above limited for said creditors to present their claims and demands be given by publishing a copy of this order and notice, for four successive weeks, once in each week, in The New North a weekly newspaper published in the County of Oneida, at the first publication to be within fifteen days from the date hereof.

Dated this 11th day of February 1913.

By the Court, F. STEELE, County Judge.

**EVENTS OF WEEK
IN OTHER TOWNS**

Items Of More Or Less Importance Boiled Down From Neighboring Exchanges

Eagle River—
The Eagle River Knitting works has been closed. The machinery and material will be moved to Sturgeon Bay, where one hundred men are to be employed. Lack of help and large orders causes the move.

Grandon—
There is a strong possibility that the Wisconsin & Northern railroad will be completed this year to Shawano. At a meeting of the directors of the road it was voted to extend the line southward from Grandon for at least eight miles and it is believed that the entire stretch to Shawano will be built. The road will cut through a heavily timbered district which will immediately be opened up by lumbermen and settlers.

Murley—
The town board has revoked the license of Nick Sicilia, proprietor of the White Bear saloon after it had been shown up that Sicilia harbored immoral women in his place. Chief of Police Dardas and Officer Bards no were suspended from duty pending the investigation of graft charges made against them by Sicilia and others. Friends of Chief Dardas believe that the accusations are trumped up through bitterness over the active part he has taken in the Sicilia affair. It was he who made the complaint against Sicilia.

Tomahawk—
O. C. Larson of the town of Birch has been appointed county highway commissioner, by Hall L. Brooks, chairman of the county board, to fill the vacancy due to the death of Joseph Kell. Mr. Larson has assumed his new duties. He is a progressive farmer and thoroughly experienced in the work of road making.

Hayward—
A committee has been appointed by the Commercial Club to endeavor to secure a salting plant for cucumbers. The stations established at Dallas, Rice Lake and Cumberland produce the best grade of pickles and has paid a large return to the farmers who contracted to furnish cucumbers. An effort will also be made to secure a sawnraut cutter as cabbage is one of the prolific yields in this part of the state.

Florence—
The Menominee range has a long life before it. No less an authority than State Geologist Allen, of Michigan, has stated that iron ore will be coming from the Iron River country for the next 100 years at least. Recent discoveries in territory tributary to Crystal Falls, would indicate that notwithstanding shipments have been in progress for more than a quarter of a century the district is still in its infancy.

Ashland—
The medical inspection of children in the public and parochial schools of the city has started and will be continued until every child has been examined. The city has obtained charts, record cards and other appliances and with these the inspection will be much better and a better record kept.—The jail at Odanah was destroyed by fire Thursday.

day and homes in the near vicinity had a close call from destruction.

Gladstone—
On complaint of Samuel Goldstein Eloy Hanson and Andrew Sterenson a warrant was issued for the arrest of the trio on a charge of misrepresenting the financial condition of the defunct bank of D. Hammel & Son. The hearing was continued to Feb. 24th with bonds fixed at one thousand dollars each. As W. F. Hammel was the only one in the city, the other arrests will probably be made later.

Medford—
This city has applied for and will probably receive a Carnegie library. Phillips—
The big new saw mill of the Kneeland-McLurg company is nearly completed and will be ready for operation the first of April.

SOME FACTS ON EUROPE'S FORESTS

G. H. Dawes Explains the Re-forestation System in The Old Country

A fair sized audience recently listened to a well digested and well delivered lecture in Rhineland, in defense of the forestry methods to be pursued in Wisconsin. As an introduction to the lecture the general statement was made that nearly every country in Europe has its forest reserve. The deduction was left to the audience to make that the states here should also have forest reserves. This deduction is logical provided the conditions here are similar to the conditions there. If we refer to the forests of Norway and Sweden we find they are mostly in the mountains. Agriculture in Norway has never given adequate returns. The people live principally by fishing, mining and such pursuits as depend upon the timber supply. Norway lies between the 55th and 71st parallel north latitude. Nearly one-half the total area of Norway lies above the arctic circle. The growing season is too short, and the summers too cool for the successful growing of farm crops. In the lower latitudes the forests grow on the mountain slopes to an altitude of 1700 to 2000 feet. In the higher latitudes the forests disappear at an altitude of about 700 ft. 21 per cent of the total area of Norway is forest. The state owns less than five million acres and only two million acres are really productive forest lands. The State forest lands are 25.5 per cent of the total area, cooperation lands 4.6 per cent, the forests in private hands comprise 69.9 per cent of the forest area. In Sweden the principal forests are north of the 55th parallel and the chief forests of export are above the 62 parallel. The forests are principally in the mountains or in latitudes too cold for growing crops. The forests decrease from north to south. In some of the northern provinces there are as high as 60 acres of forests per capita while in the southern part there are provinces with less than one-half an acre per capita. It will be seen that the population is very sparse in the heavily forested portions of either Norway or Sweden. In the greater part of the forests the population have a long established right for grazing, timber and fire wood; and even in tracts in which land owners or the state have a part ownership, the rights of the population, if they have any, take precedence of all other claims. The forest of European Russia are very extensive, having an area, exclusive of Finland, of more than half a billion acres. Finland is 54 per cent forest. The five northern provinces of Russia, exclusive of Finland, export two-thirds of the commercial timber of Russia, the remainder is cut principally in the Caucasus Mountains on the southern boundary. It will be seen that the great forest areas of Russia are above the 60th parallel of north latitude where the seasons are too short for the successful growing of crops or, they are in the southern mountains. The vast forests of Asiatic Russia (Siberia) are practically untouched. If the deficiency of the timber supply of the importing countries of Europe was three times what it is European Russia could supply it. According to the census of 1895 the forests of Germany had an area of 24,949,675 acres. This is 24 per cent of the total area and is 6.52 acres per capita. Of the entire area 45.5 per cent are in private hands.

31.9 per cent owned by the state the remainder is divided among crown, communal, institutional or association forests.

The principal forests are in central and southern Germany among the mountains. The names of the mountain ranges indicate this by the termination WALD, such as Schwarzwald, Thuringerwald etc. These broken mountains extend through Germany to Austria where the same forests continue.

The forests of France amount to 61 acres per capita and have a total acreage of 761,958 acres. These lie chiefly in the Pyrenees and Jura mountains and in the mountain parts of the island of Corsica.

The state owns 12 per cent of the total area, communal forests 23.3 per cent and 64.7 per cent are owned by private persons. 23 per cent of the state forests are poorly wooded or not forested at all.

Of the forests of Switzerland the state owns 4.6 per cent, corporations 67 per cent, private individuals 28.4 per cent. These forests are on the mountain slopes. The government recognizes the necessity of keeping the mountain slopes timbered to prevent the destructive land slides that have been frequent among the Alps.

It may be of interest for us to know that, from official figures, IF COSTS \$22.25 to plant an acre of forests in Switzerland. The practice is, in the forests of Europe, to plant as much each year as is cut. Norway does not plant as much. Switzerland has planted more.

But the great forests of Europe were never exploited by the commercial spirit of the nineteenth century. It has been conservation for centuries. There has been no reforestation of vast areas covered by the waste of lumbering operations and further despoiled by fires. But it has been a careful cutting according to the demand for lumber and a yearly planting to replace the cut.

All the waste has been carefully gathered, as in Germany, for fuel or burned. There is practically a clean record, so far as waste is concerned for planting.

Just think of stripping a country of all its timber; of having the country swept by fires; the ground covered with less, fallen trees, brush both green and dead, and undertaking reforesting more than a million acres of it.

GEO. H. DAWES,
Tomahawk Lake, Wis.

REAL ESTATE TRANSFERS
Following is a list of all real estate conveyances recorded for the week ending Feb. 19th, 1913, furnished by the Onclia County Land & Abstract Company, to-wit:

Herman Bolinski to Julia Bolinski W. D. of NW 1/4 SW 1/4 NE 1/4 SE 1/4, NE 1/4 and NW 1/4 SW 1/4 E—\$1.

Brooks & Ross Lbr. Co. to Cyrus C. Jensen, Q. C. D. of SW NE, SE NW and NE SW 17-35-10 E—\$1.

Lelon A. Doolittle and w. to Cyrus Jensen, Q. C. D. of SW NE, SE NW, and NE SW 17-35-10 E—\$1.

Chas. S. Crofoot, sheriff, to J. G. Dunn, guardian of minor heirs of Felix Dolan, Sheriff's deed of NE SW 1/4 SE 1/4, NW SW 34-36-8 E—\$323.58.

Sam S. Miller, Trustee in bankruptcy of estate of Charles Frederickson, to Rhineland Building & Loan Assoc. Trustee's Deed of Lot 10 Blk. 1, Orig. Plat of Rhineland. —\$20.00.

Guy Jaynes and w. to E. T. Smith W. D. of SE SW and S 1/2 SE 43-7-8 E—\$1.00.

John R. Boileau Land Co. to John R. Boileau, Q. C. D. of Lot 11 Blk. 3 Vil. of Minocqua. —\$1.00.

Lawn Allen to John Allen, W. D. of a piece of land 50 rods square in southeast corner of SW NE 31-37-8 E—\$75.00.

A surprise party was held Tuesday on Mrs. A. Olson, north side, in honor of her birthday.

FLASHES FROM THE HEADLIGHT

Bits of News Pertaining To The Soo and Northwestern Railroads

The Northwestern railway company is tearing down one of their old ore docks in Ashland and the wood which cannot be used again in the building of a new dock is being given to the poor of the city for fuel.

Increases are shown in the taxes of the express companies, sleeping car concerns and freight line and equipment companies as announced by the state tax commission Friday. The express company tax will amount to \$17,406.31, as compared with \$16,255.43 last year. The sleeping car companies \$16,630.16 as compared with \$12,630.04 and freight line and equipment companies \$9,286.44 as compared with \$8,629.93. The property of the Pullman Car company in this state is assessed at \$15,000,000.

The Northwestern switching crew in this city has been working Sunday days of late in order to handle the increasing business.

Announcement has been that the Chicago & Northwestern Railroad company positively will make improvements to cost about \$350,000 in Green Bay this year. The new roundhouse is to contain forty stalls in addition to the railroad shops, machine shops, modern coal sheds and ice house. The new freight house is to be of the latest pattern. C. S. Hall, engineer of track elevation will be in charge of the work, and is here now making preparations to commence at once. The roundhouse and shops will be built of brick and concrete.

North St. Paul, or rather some of the residents of that ordinarily peaceful burg, is on the rampage again. For a long time Soo line trains, especially during the night were in constant danger of running into open switches or of crashing into a rock or other obstacle placed upon the track. On a number of occasions several months ago the guilty parties became so bold that they even hurled broadsides of stones at passing trains, but thereafter occurred a lull in the practice that led to the belief that it would be discontinued for all time. However such was not the case, for as south bound passenger train No. 4 was passing through the suburb Monday night it ran into an open switch and from all reports had a close call from being wrecked. It is also said that a number of shots were fired toward the locomotive but luckily nobody was injured and but little damage was sustained.

The Soo line has done all in its power to round up the criminals but in some way they have baffled all attempts at capture and have succeeded in keeping their identity a secret. What could prompt them to have such apparent disregard of human life and private property is a mystery that it is hoped will be cleared up before something more serious happens and the guilty persons given the full extent of the law. —Stevens Point Journal.

ROBBINS

Mrs. Reveal is on the sick list. T. Doyle passed through our town Friday.

C. H. Chase is carrying the mail at present.

Mrs. Mattie Kugel of Wausau is visiting friends.

Mrs. W. L. Miller spent Sunday in Rhineland.

O. Jenkins has been on the sick list the past week.

A. Stefoneck Sr. and John Rhoda were city callers Monday.

Mrs. Horn of Rhineland is visiting friends in our town.

Frank Blevins of Rhineland spent Sunday visiting friends.

Miss Mary Huber spent Saturday and Sunday in Rhineland.

Mr. and Mrs. Chas. Kugel and children spent the week end visiting in Rhineland.

J. W. Richardson will give a dance at Knapp and Jones' lobby Saturday evening. All are cordially invited. Miss Elizabeth Knapp entertained the teachers Thursday evening. The evening was spent in discussing school topics.

The MERCHANTS STATE BANK
RHINELANDER, WIS.

CAPITAL, SURPLUS & PROFITS OVER \$115,000.00

Our Principle of Service
This bank has built up its business on the great principle of satisfactory service to customers. That is the only service it is interested in.

Our steady growth is not an accident, it has been a characteristic of the bank's career of over quarter of a century. It is the result of a thoroughly systematic organization which is both able and WILLING to serve.

We invite checking accounts in any amount and pay 3% interest on Savings and Certificates of Deposit.

THE BANK OF PERSONAL SERVICE

AROUND THE CIRCLE

Mrs. W. P. Jewell did shopping in the city Saturday.

Miss Lillian Ledisore attended the German Lutheran services Saturday.

Mrs. Peter Christianson and daughter, Ellen, were in the city, Monday.

W. Kerber transacted business in the city the latter part of the week.

W. P. Jewell was home from the camp, to spend Sunday with his family.

Theo. Ledisore and family are going to move back upon their own place soon.

Miss Grace McLaughlin spent Sunday with the family of Mr. and Mrs. Frank Cole.

Mrs. Jas. Mitchell and Mrs. Frank Bischoff transacted business in the city Tuesday.

Mr. and Mrs. R. J. McIntosh attended the Grange meeting at the "flats" Saturday evening.

Miss Hattie Meyers who has been quite ill for the past three or four weeks, is on the gain.

Miss Hannah Colberg and sister were in attendance at the Crescent Grange Saturday evening.

Mrs. C. Christianson came over from Woodboro to spend Sunday at the home of P. Christianson.

Wm. O'Falka has so far recovered from his late mishap that he has resumed work again for Geo. Marshall.

Miss Estella Kerber and Herman Christianson seemed to have enjoyed themselves Sunday afternoon in their "joy ride".

Mr. and Mrs. Thomas Sherman and Mrs. David Gustafson spent Saturday in the city where they did their week's shopping.

We are informed that Mr. and Mrs. F. Gustafson expect to depart for St. Maries, Idaho, where they will make their residence.

Wm. Hahn had a little tip-over last week near the school house. It does not say whether Bill tipped over on the rig met with the mishap.

Misses Nettie Hahn, Estella Kerber, Ellen Christianson and Esther Jewell and Dewey Sears were initiated into Crescent Grange at their last meeting.

Mrs. Jas. Mitchell returned from Aurora, Ill., the latter part of the week where she was called to the bedside of her mother who was reported quite ill. We are pleased to learn that Mrs. Mitchell left her much improved and out of danger.

Crescent Grange met in regular session Saturday evening and initiated five new members, after which the regular business was dispensed with when the members were treated with a dainty lunch of hot coffee, sandwiches and cake after which they all departed for their numerous homes well satisfied with the evening's entertainment.

HOBSON

Wm. Gilson spent Sunday in Rhineland with wife and other friends.

Mrs. M. Piele and Miss Florence Mandtill were Rhineland callers Saturday.

The Misses Bloomrich and Connor of Gagen called on the Hobson family Saturday afternoon.

A number of people attended the surprise party at Roosevelt and all reported a good time.

No more need worry for snow; it stays, roads are fine and good loads are able to be hauled.

Mrs. Andrew Anderson of Rhineland was visiting at the home of her son's between trains last Friday.

The assortment consists of all the popular styles in Muffs and Neckpieces, in all the desirable pelts; the regular prices range up to \$50.00—choice at HALF PRICE.

PERKINS HAS DRAW WITH AL WORGIN

Ten Round Bout At Hurley Saturday Night Is Best Of Season

It is apparent that Al Worgin, the Milwaukee "pug" who met Billy Perkins in this city in a ten round bout in Hurley Saturday night, has little regard for the truth when it comes to telling things about himself. He must be a four flusher of the most pronounced type. When he returned to Milwaukee from his tilt with the Rhinelander lad he gave the newspapers the impression that he had it over Perkins throughout the bout. Anyone reading these articles would get the idea that the contest was all Worgin's and that Perkins was something soft.

The truth is that Worgin and Perkins boxed a ten round draw with Perkins having the shade. Many of the Rhinelander fans who attended the show declare positively that had the contest went two more rounds Perkins would have put the Milwaukeean away. It was a good scrap and the local idol showed up in wonderful form. That he has improved remarkably since his bout with Godfrey in this city a few months back no one can deny. A crowd that taxed Bonino's hall to the limit witnessed the go.

Paddy Lanza, who promoted the show, was the third man in the ring and his work met with satisfaction. Perkins will go against Tony Capon the Italian middleweight, in Hancock Mich., next Saturday night.

USE STERIZAL

F. E. Parker went to Madison Monday night. Buy your groceries at Saterstrom's—it pays to trade there.

Miss Elsie Brown and Edward Blessing, two popular Goodman people, were married this week at Escanaba.

Mr. and Mrs. Emil Kloes, who spent part of the winter in California, have returned to their home in Three Lakes.

On account of the special speakers at the Congregational vesper services, no evening preaching services are being held at the M. E. Church this month.

S. G. Perlander has a good idea as to who the person is that poisoned his cocker spaniel dog last Saturday and will prosecute the party if positive proof can be had. The meanest man on earth is the one that will poison a dog and should be severely dealt with by the law. To distribute poison for the purpose of killing dogs is a state prison offense.

WANT COLUMN.

Wanted—A light work horse. W. J. PELONG.

Wanted—Sewing by the day. Miss Myrtle Scott, Phone 213.

For Sale—Residence property in all parts of the city. Barnes-Weesner Agency.

For Sale—Eight room house or south side. Corner lot. Enquire of 1003 Keenan St.

Wanted—Spruce cutters for camp also has two or three cedar jobs to let. J. H. Olmstead, Lac du Flambeau, Wis.

For Sale—House with three acres of land, barn and large hen house west side, 950 Phillips street, 123-120 AUG. SWEDE.

Wanted—Widow or elderly maiden lady for housekeeper on farm; good cook; must speak English; not hard work. Apply Lock Box No. 21 Drayton, No. Dak. F13-20

Wanted—Reliable young man for farm work, must speak English.

and understand handling horses. Apply, Lock Box No. 21, Drayton, North Dakota. F13-20

Saterstrom wants your grocery trade. F23-13

STERIZAL Mr. and Mrs. O. A. Hilgerman, who are touring Europe, were in Monte Carlo last week. They are having a pleasant time and write entertainingly of the wonders seen on their journey.

SAW MILL MEN WANTED We need setters, riders, tall sawyers, edgemen, trimmers, green and dry lumber graders, for the coming sawing season.

Thief River Falls Lumber Co., Thief River Falls, Minnesota. F13-27

Alcohol In Peru-na-- An Unjust Criticism

S. B. HARTMAN, M.D.

Having a little business in one of the federal offices of the city, after it was finished I fell in conversation with the official in charge concerning Peru-na. I mention his business to show that the conversation was conducted with a man of more than ordinary intelligence, being an employee of the government who had passed through several civil service examinations. He said to me, not knowing who I was: "I think a great deal of this patent medicine business ought to be stopped. Especially such remedies as Peru-na. Peru-na, as you know, is a stimulant and contains eighteen or twenty per cent of alcohol. People take it without knowing what it is, and such remedies ought to be prohibited by law. My own mother took Peru-na once. She had a cough, night sweats, was growing emaciated and weak. Several doctors examined her. The opinion was expressed, several times that she was going into consumption. One thought it was chronic bronchitis. At any rate, her condition was quite serious. She was unable to get any relief from the doctors she consulted, although she took their medicines faithfully for nearly a year. Some one told her about Peru-na, and against my wish and against the wishes of our family, she began taking it. At once she improved, and in less than six months she apparently was well. We did all we could to discourage her in taking Peru-na, but she persisted. It finally came out in the magazines that Peru-na contained alcohol. Then we knew at once what it was that benefited my mother. It was simply the alcohol that Peru-na contained. We had the laugh on mother. We have not ceased to make fun of her yet about her being cured with a dilution of alcohol. She seems to be embarrassed by

our teasing her, but is very stubborn. She says that if she were to be sick in the same way again she would certainly get Peru-na and take it, alcohol or no alcohol. So you see if people will persist in such foolishness there ought to be a law to prevent them."

I ventured to interpose a question. "You say the doctors could not cure her, and yet you say Peru-na did cure her. What difference does it make to you whether it was alcohol or some other drug that effected the cure?"

"Well, I don't know that it makes any difference, but it is deceiving the people to give them alcohol even though it does cure them," he said.

I replied, "Why, I cannot exactly understand that. Alcohol is a drug, the same as quinine or morphine. If alcohol cures certain diseases where is the deception? I understand that the Peru-na people print on the label of each bottle the per cent of alcohol contained in Peru-na. Each patient may read it, if he pleases. I cannot see where there is any deception."

"Well, I would not take Peru-na," he persisted. "Now, I was sick, I had a stomach ache. A violent pain, that would come on about an hour or two after each meal. It grew worse and worse. I was also constipated. I consulted several doctors in our city about my health. I went to see a prominent specialist in New York City, paid out a great deal of money, but no help. One time I was having a bad spell on the train. The gentleman who occupied the next seat was a retired physician with whom I had been acquainted. He said to me, 'My friend, if you want to get well I would advise you to take a glass of lager beer before each meal. I think that will cure you.' Having followed the directions of several good physicians without any assistance, I thought I would try the beer. In a very short time I found it was helping me, and I got entirely well. My bowels became regular and I had no more pain. No more distress after meals. Now, if my mother had used some remedy like that it would be all right. But to persist in using some secret remedy like Peru-na, I think it is outrageous."

Again I ventured to ask some questions. I asked: "What do you suppose it was in the lager beer that effected the cure?"

"Why, I presume it was the stimulant it contained. Yes, no doubt it was the stimulant."

"You know, of course, that the stimulant in beer is alcohol, the same as in wine or whiskey or any other alcoholic drink?"

"Yes, I have heard say that beer contains about five per cent of alcohol. That is correct," I replied. "You took a bottle of beer before each meal, did you?"

"Yes."

"Is doing so you were drinking a pint of a five per cent solution of alcohol?"

"Yes, I suppose so."

"Five per cent would be one-twentieth. As each pint contains sixteen ounces you were then taking a little less than an ounce of alcohol before each meal."

"Yes."

"But you objected to your mother's taking alcohol in the Peru-na, and yet she was taking far less alcohol than you were. As I understand it, the dose of Peru-na is one tablespoonful. Supposing it to be twenty per cent alcohol, there would be in each dose one-fifth of a tablespoonful of alcohol, which would be about half a teaspoonful, while you were taking at least four teaspoonfuls of alcohol in your bottle of beer. And yet you objected to your mother's taking Peru-na on the ground that the Peru-na contains alcohol. In my opinion it was the alcohol that cured both of you. Your mother evidently was cured of a very serious ailment. Peru-na contains alcohol. It was undoubtedly the alcohol that cured her, or at least helped to. The other ingredients of Peru-na might have assisted no doubt did. In your case it was the alcohol in the beer that cured you of the stomach difficulty. Peru-na has cured thousands of such cases."

"Well, I declare," he replied, "I never thought of it in that way before. There has been so much said about alcohol being poisonous that I suppose my mind has been prejudiced against it. But if as you say there is also alcohol in beer, the same kind of alcohol as is used in Peru-na, I cannot see where the difference is myself."

"Well," I replied, "you have been doing exactly what the average man and woman is doing. You have allowed your mind to become prejudiced against Peru-na on account of its containing alcohol. Without stopping to look into the matter at all you have assumed that there is something terribly disreputable about remedies containing alcohol. The fact is, however, that most all fluid medicines, whether prescribed by a doctor or put up as a patent medicine, contain a certain amount of alcohol. It was alcohol that cured your mother. It was alcohol that cured you. In my opinion, alcohol in some form or other is making more cures than all other drugs combined. This is not saying, however, that Peru-na contains only alcohol, for it does contain excellent remedies besides alcohol. But I do contend that the alcohol in Peru-na is not only not harmful to those who take it, but if taken in the doses prescribed on the bottle it will do a great deal of good and there is not the slightest danger of forming a drug habit." PERUNA IS FOR SALE AT ALL DRUG STORES.

SPECIAL NOTICE—Many persons are making inquiries for the old-time Peru-na. To such would say, this formula is now put out under the name of KA-TAR-NO, manufactured by KA-TAR-NO Company, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.
